

Looking for a Holiday Job in Holland ?

Jakobs Cutflowers (www. Summerflowers.nl)

Our company is growing cutflowers in tunnels and outdoor.

The crops we grow : Aster (callistephus), Carnations and Hypericum.

The harvest is starting around june and ending end off oktober.

We are looking for a maximum of 4 female workers during holiday-time.

The working period will be for a minimum off 8-10 weeks. We work

6 days a week, and on Sundays only harvest, depends the weather.

We offer

Salary 6 euro netto/ hour.

Accomodation, kitchen, douche, wifi etc at the company, for free!

Interested: Send your CV to : Geertjakobs.anjavanberkel@hetnet.nl

The business card features a photograph of a field of red flowers on the left. The right side has a red background with white and green text. The logo 'JAKOBS Snijbloemen' is prominent, with a stylized flower icon. Contact information includes a telephone number and a list of flower types.
